**DECLARATION OF ALAN R. KABAT
IN SUPPORT OF DEFENDANT DR. ABDULLAH NASEEF'S
CONSOLIDATED MOTION TO DISMISS**

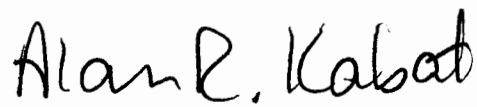

I am an attorney licensed to practice in the District of Columbia and am admitted *pro hac vice* in this matter. I am with the law firm of Bernabei & Katz PLLC, counsel to Dr. Abdullah Naseef. I submit this declaration to transmit to the Court the following documents submitted in support of Dr. Naseef's Consolidated Motion to Dismiss:

1. Exhibit 1 to Dr. Naseef's motion to dismiss is a copy of the Declaration of Abdullah Naseef (March 30, 2004).
2. Exhibit 1 to Dr. Naseef's motion to dismiss is a copy of the Virginia Corporate Records and Registrations for the Makkah Mukarramah Charity Trust, Inc.
3. Exhibit 3 to Dr. Naseef's motion to dismiss is a copy of Process Server Network,

“International,” online at <http://www.processnet1.com/internat.htm> (last modified Feb. 10, 2004).

4. Exhibit 4 to Dr. Naseef’s motion to dismiss is a copy of Process Server Network, “Saudi Arabia,” online at http://www.processnet1.com/saudi_arabia.htm (last modified Mar. 8, 2004).

I declare under the penalties of perjury that the foregoing is true and correct to the best of my knowledge and belief. Executed on September 5, 2005.

A handwritten signature in black ink that reads "Alan R. Kabat". The signature is written in a cursive, slightly slanted style.

IN RE TERRORIST ATTACKS ON SEPTEMBER 11, 2001

THOMAS E. BURNETT, SR., *et al.*,

V.

AL BARAKA INVESTMENT AND DEVELOPMENT
CORPORATION, *et al.*,

Defendants.

I, Dr. Abdullah Naseef, being duly sworn, declare and state as follows:

2. I have been informed by my attorney that I am a defendant (D97) in the above-captioned action. I am submitting this declaration in support of my Motion to Dismiss for lack of personal jurisdiction and improper service of process.

3. I was born in 1939, in Jeddah, Saudi Arabia, and have lived in Saudi Arabia all of my life. I have always been a citizen of the Kingdom of Saudi Arabia.

4. I am a Professor of Geology, at King Abdulaziz University, Jeddah.

5. I was the Secretary-General of the Muslim World League from 1983 until 1993.

The Muslim World League is a charity that is sponsored and supported by the Saudi government.

In my capacity as Secretary-General, I also served as an officer of the Rabita Trust from 1988 to

1993. The Rabita Trust is a charity that is partly owned by the Muslim World League, and partly owned by the government of Pakistan.

6. In 1993, I was appointed by Royal Decree to the Saudi Majlis-ash-Shura, which is the legislative body of the Saudi government, equivalent to a Parliament in other countries. I became the Deputy Speaker (or Vice President) of the Majlis-ash-Shura, and retired in 2001.

7. I have visited the United States on several occasions since 1965 to study at Stanford University, with my last visit being in 2002 to attend the World Economic Forum Conference. Although I do not now remember the dates, nature, or purposes of all of my visits, these included official visits to attend academic conferences, as well as conferences relating to the Scouting movement. I also made several visits as a tourist.

8. I own no real property in the United States. I also have no bank accounts, and have no investments in the United States. I do not conduct any personal business with any businesses in the United States.

9. I do not subscribe to or read either the *International Herald Tribune* or the *Al Quds al Arabi*. The latter publication, to my knowledge, is banned in the Kingdom of Saudi Arabia.

10. I have never supported the loss of innocent life and believe that there is no justification for the tragic attacks of September 11, 2001. I have never supported any person or organization that I have known to participate in terrorist activities. On September 13, 2001, two other Saudis and I sent a letter to President Bush, which expressed "our condemnation and denunciation of the horrible acts of terrorism perpetrated against the American people and security." We emphasized that these acts were totally contrary to "Islamic values and teachings." See A. Naseef, *et al.*, Letter to President Bush (Sept. 13, 2001) (attached hereto as

Exhibit 1). After receiving a response to our letter, *id.*, I reiterated our willingness to “to work together towards peace in the Middle East and in the world.” See A. Naseef, Letter to President Bush (Dec. 31, 2001) (attached hereto as Exhibit 2).

11. The Third Amended Complaint in this case has no allegations about me, other than in three paragraphs. In Paragraph 273 of the Third Amended Complaint, it is stated that the Rabita Trust “is connected to the SAAR Network through two officers,” including myself. Although I served as an officer of the Rabita Trust from 1988 to 1993 in my capacity as Secretary-General of the Muslim World League, I was not involved in the day-to-day operations or activities of the SAAR Network or its components. I deny that I had any knowledge of any activities of the SAAR Network that were terrorist activities, or knowingly supported terrorism.

12. Similarly, in Paragraph 274 of the Third Amended Complaint, it is stated that I “founded the Rabita Trust in July 1988 and [am] currently its chairman.” This is incorrect, since I have not been an officer of the Rabita Trust since 1993, and I believe that Wael Jalaidan is the current Secretary General. I have not made any personal donations to the Rabita Trust. I deny that I had any knowledge of any activities of the Rabita Trust that were terrorist activities, or knowingly supported terrorism. I have no knowledge of the day-to-day operations or activities of the Rabita Trust since 1993.

13. In Paragraph 275 of the Third Amended Complaint, it is stated that as part of my “global efforts” to “spread Muslim World League offices around the world,” I was “involve[d] in a SAAR Network charity,” as an “officer of Makkah-al-Mukarramah, Inc., registered in Virginia as a non-profit charity.” I had no involvement with the day-to-day activities or operations of the SAAR Network or the Makkah-al-Mukarramah, Inc., and I deny that I had any knowledge of any activities of either entity that were terrorist activities, or knowingly supported

terrorism.

14. I can read and understand English.

I declare under penalty of perjury under the laws of the United States of America that the foregoing is true and correct.

Dr. Abdullah Naseef's
Motion to Dismiss the Third Amended Complaint

03 MDL No. 1570 (RCC) / C.A. No. 03-CV-9849 (RCC)

**His Excellency President George Bush
President of the United States of America
September 13, 2001**

We would like to express to your Excellency our condemnation and denunciation of the horrible acts of terrorism perpetrated against the American people and security. We would like also to express to you and your family personally and to the victims families and friends and all the friendly people of the United States our deep sorrow and sincere condolences and sympathy.

We would like also to stress upon the fact that Islamic values and teachings totally reject all kinds of violence and acts of terrorism. Islam lays emphasis on the inviolability as well as the sanctity of both human life and dignity regardless of national affiliation, religion, color and/or ethnic background. The value of human lives is highly valued in Islam thus it deems killing one soul with out a just cause is like killing the entire people and saving one soul is a saving the lives of humanity at large. Muslims consider any aggression against innocent people an aggression against God's prohibition and eternal values. In fact, Muslims view such an aggression as deplorable and disgusting.

In addition, we would like to convey our appreciation for your Excellency's noble gesture when you expressed your eagerness about the safety of Arab and Muslims citizens and rejected the cheap media intrigues spread against by parties that are notorious for their hostility against Arabs and Muslim. These parties are known to have made prescriptions leveling accusations against Arabs and Muslims whenever the American people are exposed to a painful accident or detestable aggression. Obviously, the goal of this parties-historically notorious for their trickery is to mislead, confuse, and divert the right course followed the American security agents in pursuing and identifying criminals. The aim of these parties is to obtain the sympathy of the good American people and incite their wrath against Arabs and Muslims so as to justify the on-going massacre they are penetrating against the Palestinian people and destruction of their homes and properties. Sweeping away their palm land, which is an act of genocide unprecedented in the history of mankind.

Finally, we would like to reaffirm to your Excellency our firm conviction that the acts of violence are not the right path to achieve peace and security for people and societies. The right path to achieve all is to have dialogue, justice and to confirm mutual respect between different cultures and civilization.

About International Service of Process

There are two general methods of service abroad:

Formal Methods:

The "formal method" of service is the generally recommended method of service, particularly in countries that are signatories to an international treaty, such as the *Hague Service Convention*. This method is needed if it is anticipated that enforcement of judgment will be required.

The *Hague Service Convention* set forth the international rules related to service of process outside the originating country. Each nation that belongs to the *Hague Service Convention* agrees to abide by these international rules.

Letters Rogatory is the formal method to be used in countries that are not signers of the Hague Service Convention. In addition, the *Inter-American Convention on Letters Rogatory* controls the same issues between countries in North and South America. *Letters Rogatory* is also used when taking the deposition of a person in another jurisdiction.

The timeframe for service pursuant to formal methods can range from 1 to 5 months since proper procedures and/or diplomatic channels must be followed (typical turnaround time in most nations is 2-3 months). Costs are significantly *lower* than in informal service in most countries.

Generally, we recommend the formal method of service to insure a valid judgment.

No matter which method you choose, **we handle the paperwork and logistics in completing the service** in a timely and efficient manner. **We do everything** from preparing the letter of transmittal to the translation of your filed documents, as required.

Informal Methods:

Informal methods of service are available in most areas of the world where service by a non-attorney or private process server are . In general, if the country is not a signatory of an international treaty, service may be made by informal methods (similar to service in the United States). However, some countries such as Germany, Japan, Korea, China, Switzerland and Italy do not allow service by private process server and impose serious civil and criminal sanctions on those who violate their national sovereignty.

The advantage to utilizing informal service, in nations where it is available, is often the timeframe for completing service.

[Saudi Arabia](#) International Service Up-date

Saudi Arabia

Process Service Network is one of a few firms that specializes in international service of process and offers competitive rates on foreign services. Here is a summary of the methods available for service outside the United States and a specific proposal for the requested nation.

Our job is to cut through the bureaucracy and red tape to get the service completed with as little delay as possible. Since we have been in business for 26 years, we have developed close working relationships with key individuals in most countries throughout the world. The founder and President of *Process Service Network* was a Political Science major in college with a focus on international relations and is actively involved in a worldwide organization through which he has developed business and personal relationships in over 80 nations worldwide.

FORMAL SERVICE:

SAUDI ARABIA is not a signer of the Hague Service Convention. There is currently no formal method of service since Saudi Arabia does not honor Letters Rogatory.

INFORMAL SERVICE:

Private process servers may serve documents in most countries, whether a signer of *The Hague Service Convention*, or not. Service is normally handled in a manner similar to methods used in the United States, although completion of the service usually takes longer. Customs and traditions in other countries tend to lead to a slower pace and less rigid work habits, particularly in the Arab nations. Service sometimes may take several months but informal service is generally much faster than formal methods. Most process servers who we employ are off-duty police officers or other government officials who are able to, in certain cases, exercise their official capacity to complete the service. Since we pay the process server a bonus (at our own expense) for prompt

service, the normal delays are usually reduced.

It must be advised, however, that corruption is sometimes evident in that country and that it is common for the process server to contrive an excuse for delays and/or additional costs. We will cover any additional costs but delays may be unavoidable.

Further, service in Saudi Arabia has been complicated in the recent period due to tensions in the Arab world. We do all that is possible to insure a timely completion of the service.

Advantage: Time and cost.

Disadvantage: Judgment may not be enforceable in the country where assets are located.

TRANSLATIONS:

Some countries require the documents to be translated into the official language of the nation where they are to be served. The U.S. State Department *recommends* translation, but it is not a requirement unless the formal method is used. It is possible, although rare, that a demurer could be filed based upon lack of understanding by the defendant as to the nature and meaning of untranslated documents. It is important that the Defendant understand the nature of the documents.

COSTS:

Service of process:

Informal = \$1175.00 All fees are per defendant/address

Translation: \$0.38 per word (proper nouns not translated)

DECLARATIONS:

We provide any necessary formal Declarations, under penalty of perjury, that the Court may require as to the progress and status of the service (at no additional cost).

WARNING: Beware of companies that quote suspiciously low rates. They often come back later with an excuse for an additional charge. Our rates are firm for one address quoted. Other companies are actually brokerage firms or website developers, not process service agencies, who farm out assignments to secondary companies that are not knowledgeable or qualified on international service of process.

DISCLAIMER:

The information contained herein is provided for general information only and may not be accurate at the time of service in a particular case or country. Questions involving specific services should be directed to our office. Care should be exercised in choosing the method of service (formal/informal) if eventual enforcement of a U.S. judgment is anticipated in the country where the documents are to be served. Specializing in International Service and "hard-to-serve" cases

* Guaranteed service means we will serve the documents at the address provided, if service is legally possible. Dated documents may require a re-set of the court date if unable to serve in time. Additional charge will apply for additional addresses and attempts on dated documents after re-set. Guarantee does not apply to investigations, out-of-area process service, small claims cases, or international service of process due to circumstances that may occur beyond our control in certain nations and we cannot be responsible for such circumstances. No refunds will be made after institution of any assignment, for any reason. All fees are due and payable upon demand. Our fees cover all known governmental fees in foreign nations and our fee to handle the service; in rare cases, extra charges may apply to cover governmental agency fees. Note: We've been doing it for 26 years, so we must be doing it right.
